

WDOR RADIO PROGRAMS 2019

DOOR COUNTY MASTER GARDENERS

Master Gardeners will be on the WDOR talk show the third Thursday of each month from 10:20-11:00 am. WDOR can be heard on 93.9 FM or 910 AM, or live streamed from their website. Each program will feature a "What's New in the Master Gardener Organization" section, an educational topic and information about the Garden Door. The show allows for call-ins so questions can be answered and comments are welcome. Carrie Sherrill will provide the monthly update information and coordinate guests to join her to speak about various garden topics.

How to become a Master Gardener Volunteer will be explained monthly to the listening audience.

Programs may change due to availability of guests.
