

## Application to Become a University of Wisconsin-Madison Division of Extension Master Gardener Volunteer

The main purpose of the Master Gardener (MG) training class is to prepare you to be an educator and extender of horticulture to the local community. In exchange for the training made possible through Extension, and to become a Master Gardener Volunteer (MGV), you are required to complete volunteer service after the training.

### The following steps are required to become a MGV:

- Complete the Master Gardener Volunteer application form. The course fee of \$125.00 payable to DCMGA. CHECKS ONLY are due the 1<sup>st</sup> night of class

After the above has been submitted to the county Extension office you will be given more information about the following:

- Activate an account in the Online Reporting System.
- Sign Volunteer Agreements in the Online Reporting System (Assumption of Risk, Consent to Emergency Treatment, Photo Release, Consent to Uphold Conduct Guidelines).
- Complete online Mandatory Reporting of Child Abuse and Neglect training.
- Complete the criminal background check (information will be emailed directly from UW Human Resources Department staff explaining the process conducted by an outside company).
- Pass a written examination.
- Complete a minimum of 24 hours of volunteer service by the next October 1 after you complete training.

To remain a Certified Master Gardener Volunteer in subsequent years there are annual volunteer and continuing education commitments (24 hours service and 10 hours continuing education).

I would like to become a Master Gardener Volunteer, representing Extension, and request acceptance into the MG volunteer training program offered through my local county Extension office.
